Martier-Sheeling In a Court Room An Exciting Scene.

An Ullitz Shat Down-Two Prisoners Budly Wounded.

From the Austin (Yensa) Journal, Radi-

Some time last fall a difficulty occutred between Fred Parks, a young planter, and Sam Jenkins, freedman, about the division of their crop. Parks ordered Jenkins to leave his place. The latter did so, but could not recover from Parks his portion of he crop, or get a settlement with

would either shoot nim or whip him, the beleaguered city. and that he could take his choice. He submitted to the whipping, and was most moneculous beaten with sticks; ought he would die. John sales goestly that through the neck dence before the court that he was ander the mapression he was shooting

On the 5th of last month the grand are he Walker county were empanments against Outlaw, Wright, Parks and McParish. At the time he was whi pied, the freedman said Outlaw and Wright told him they would kill if he went before the grand jury. is set the grand jury room about four who he was watched during the thed as Datlaw, McParish and Wright.

Wright, Juo. McParish and Fred Parks, charged with the murder n Junkins, upon a warrant issued but the prisoners were arand for an examination, Judge orn to sitting as the magistrate. The district atturney, Horne, represented the state, and Baker and Maxey were second for detendents. The defense estied upon an altiti, but falled to make the proof-the evidence, in the opinion of the court, being of such a char-meter as to warrant the committal of the primores to the county jail to wait the action of the District Court. The trial throughout was an excited one. One of the prisoners, McParish, had many warm friends, and was rebited to some of the most influential threns of the county. Threats were misdo in advance against the officers

give the prisoners bail, etc.; "the of supplies, prisoners should never go to jult," It is thoug The argument of the counsel for the prisoners was ed coplandum and In-flammatory. Captain McNally, the brave and resolute officer who made the arrest, at the conclusion of the trial was ordered by the court to take the was and the meantime had armed the meantime h prisoners to the county jail. The pristhirty confederates, with horses ready. and armed with shotguns, greeted the

to the French, and to inclidate the requisite negotiations, the powers were asked to give such instructions to their representatives to the Conference of th entre us would enable them to take netion on the whole subject.

The Paris correspondent of the Londan Telegraph, writing under date of February 3d, says that since the conclusion of the armistice, tranquillity has prevailed; and that the decree closing clubs has been rescinded. The occasional open air meetings which had been held threatened to become turbulent.

Weather is cloudy but pleasant. Arrived: In case of socident, for the reason that they are carried upon the roof of and that the steambasts without the necessary tackle to lower them into the water, and that in many cases they have been in disuse so long that they are eaten up by rust and wall not float. It will suggest itself to lower them into the water, and that in many cases they have been in disuse so long that they are eaten up by rust and wall not float. It will suggest itself to lower them into the water, and that in many cases they have been in disuse so long that they are eaten up by rust and wall not float. It will suggest itself to lower them into the water, and that in many cases they have been in disuse so long that they are eaten up by rust and wall not float.
